Performing Arts Award
Cory Koop
Persisting with learning the choreography for the School Concert and encouraging others who were practising and trying hard and for respecting the space bubble!

Our Year 5/6 students had a wonderful time on camp last week and participated in many valuable learning experiences. Highlights included Barwon Park Mansion, fishing, Fort Queenscliff, Super tramp, Victoria Market, Melbourne zoo, State Parliament, The Shine and The Museum of Australian Democracy. I was particularly impressed with the student’s excellent behaviour, manners and team work. It was also great to see the group encourage and care for each other especially in a big city like Melbourne where we had to catch numerous trains and trams. Special thanks to Mr Pritchard for organising such a worthwhile experience for our senior students, driving the bus and keeping everyone on schedule! I would also like to acknowledge Mr Steve Burger, camp manager at Araluen Lutheran camp Anglesea, who made our stay very enjoyable and comfortable.

We are blessed to have an enthusiastic Parent and Friend’s Association who are organising a family Cabaret next Friday, the 14th of August in the school multipurpose room. There will be a live band called Acousticus Stomp and a Mystery Auction. I encourage you to come along and support the P&F as they work hard to plan various activities throughout the year to foster fellowship throughout the school community, and raise funds to assist the School in providing the students with a high standard of equipment and resources. The Parents and Friends Association is established under the approval of the School Council and is required to act under the policies of the School and under the direction of the Principal. Each family who has a child at the School automatically becomes a member of the Parents and Friends. Membership is also open to any person who is associated with, or has an interest in, Nhill Lutheran School.

During this term our students will again be involved in the Sporting School’s program which will start on Tuesday, 18th of August and run for five weeks. The program will be delivered during school time on a Tuesday, and students are encouraged to wear their sports uniform or to bring their sneakers to school on these days.

On Friday August 21st, staff will be attending a Western Hub Schools’ Conference in Hamilton and Tarrington. This year’s conference has an IT focus and a number of guest speakers from Queensland and South Australia will be presenting. Please note that this is not a pupil free day and school will operate as normal.

Just a reminder that the special Father’s Day Footy Match is only 28 sleeps away! We look forward to testing our new oval and goal posts! The day will begin with Chapel first in the morning, followed by the students versus Dad’s footy match and then hotdogs for lunch prepared by the P&F.

Yours with Christ,
Tara Pritchard
Chapel
Chapel will be held on Friday 7th August at 9.00am. This will be led by the Year 4/5/6 Class. Please feel welcome to come along and stay for morning tea afterwards.

Earn & Learn 2015
This year’s Earn & Learn has started. Ask at the checkout for the stickers when you happen to be shopping in a Woolworths and inform friends and family to collect stickers as well. We also now have a box at the store to place the stickers in to make it easier for people to donate their stickers to us! Let’s see if we can beat 2014’s total!

DON’T FORGET THE BREAD!

Yesterday I went down to the IGA for a few things that we needed, but most especially bread. No bread, no toast for breakfast, no sandwiches for lunch and no school bags packed, which means no kids ready for school! No bread, no lunch for me—and you’re not you when you’re hungry, as the Snickers ad says! We really needed a loaf of bread—it’s amazing how our day is ordered around having something so simple! So I went to the shop repeatedly posting mental notes to myself: “Don’t forget the bread, don’t forget the bread!” When I got to the bread rack I was confronted with so many choices. It wasn’t so long ago we just had white, wholemeal and whole grain and that was it. But today there are so many varieties of bread with something added to them to promote health and wellbeing—extra fibre, omega 3, iron and calcium additives, low GI, just to name some. I stood amazed, thinking: ‘Have I come to a grocery shop or a pharmaceutical laboratory?! I just want some bread!

This vast array of options got me thinking how society’s focus has shifted to extending and prolonging life. That’s not a bad thing; our health is important and it is good to be able to help others live well and enjoy a life that healthy people take for granted. But I wonder if this has gone to an extreme, with health and vitality becoming the ‘new salvation’? Food products are pitched at consumers who want to create the supreme diet to extend life....but even though we can eat hi’fibre Omega 3 iron enriched bread with vitamin B1 we will be hungry again and even though we can buy that bread over and over again it will not be able to prevent us from one day dying.

Jesus says: “I am the bread of life. Whoever comes to Me will never be hungry and whoever believes in Me will never be thirsty again. I am the living bread that came down from heaven. If anyone eats of this bread, he will live forever. This bread is my flesh, which I will give for the life of the world.” (John 6 vv35 and 51).

Jesus does not need any supplements added to him. He is true God together with the Father and the Holy Spirit and always has been. He has met our deepest needs to fulfil the righteousness that God requires, something that we are completely unable to do because of our sinful human nature. He was born for us, God in human shoes, who perfectly kept God’s commandments for us, took our frail and sinful flesh upon himself and then changed places with us on the Cross so that sin could be punished in him and we be freed and receive God’s own righteousness. Where people are powerless in the face of death Jesus triumphed over it by rising again. Jesus doesn’t just prolong life, but he brings life to the world through his death and resurrection. He doesn’t give us a shot of Omega 3; he’s our Saviour who has satisfied our deepest need—for salvation and restoration to relationship with God.

Jesus himself promises that if we eat of the bread he gives, we will never be hungry again and will live forever, as the enduring presence we need to feed on as our ever-present refuge and strength. Have courage and take heart: if He can save you, how much more is he able to meet us in everything we need. So don’t forget the bread! And don’t forget the bread from Heaven, Jesus, who came to give true life to the world, and also to you.

Prayer: Dear Jesus you promise that whoever comes to you will never be hungry and whoever believes in you will never be thirsty again. Nourish my faith, satisfy my deepest needs for relationship with you always, and fill me with the peace and joy of sins forgiven by what you did on the Cross for me and for the world. Amen.

New Baby!

We congratulate the Zanker family on the birth of Matilda Grace on Monday 3rd August. She is a new sister for Archie (Year 1) and Henry and daughter for Steven and Bron.
