PENTECOST—GOD SHARING HIS BLESSING WITH YOU

Last Thursday we celebrated Ascension when Jesus went up into heaven after he had risen from the dead. But our living Lord did not go up to heaven to remove himself from the needs of the world, but to be fully present in all places, and to be present in a special way for his people through his word, and in Baptism and Holy Communion.

After Jesus had ascended, he sent the Holy Spirit for his people as he had promised he would. The Holy Spirit is not some vague power, but a real person—God himself; God the Holy Spirit and God is truly present among his people through Jesus and his Spirit. Jesus promised the Holy Spirit would “...teach you all things and will remind you of everything I have said to you” (John 14:26). So the Son and the Spirit are present and active through God’s word, at work in the world, wherever the message of forgiveness of sins in Christ’s name is preached and whenever a person is joined to Christ in baptism to share in Jesus’ death and resurrection to eternal life. There you can be sure that God’s purifying, comforting and guiding Spirit lives *in you*:

“And if the Spirit of him who raised Jesus from the dead *is living in you*, he who raised Christ from the dead will also *give life to your mortal bodies* through his Spirit, who lives in you...those who are led by the Spirit of God *are sons and daughters of God*. For you did not receive a spirit that makes you a slave again to fear, but *you received the Spirit of sonship*. And by him we cry, “Abba, Father.” The Spirit himself testifies with our spirit that *we are God’s children*. Now if we are children, *then we are heirs--heirs of God and co-heirs with Christ*, if indeed we share in his sufferings in order *that we may also share in his glory*” (Romans 8:11-17).

How is all this possible? Through a loving and gracious God who does not remove himself from you and your needs, but offers to come to you and meet all your needs in the fullest possible way—by freely giving forgiveness of sin and sharing his life with you.

No human striving can earn or achieve this. Neither can any other ‘god’—even those things we cling to for peace and security like our appearance, possessions or popularity. So soak up his word, come to worship, and meet the one true God who overcame death and sin on the Cross, and sends his Spirit who gives faith and life, so that you can be God’s forgiven child and receive an eternal inheritance with Christ himself. That’s the celebration of Pentecost that we have in church this Sunday but is the reality for those who believe every day.

School Captains Report

We were very pleased with the efforts of everyone competing in Cross Country. We are glad that some of our students have made it and be given the opportunity to go onto the level of competition at Kaniva. We wish them all the best. The Year 3 and 5 students have been doing NAPLAN since Tuesday, and we hope they are enjoying it and trying their best. We are also glad to see people playing nicely in the playground and including others. Please remember to keep our school grounds clean and have a great weekend!

Walk to School Safely Day

Friday the 20th of May is Walk to School Safely Day. We encourage all students who can participate to do so, in a safe manner.

IT'S NOT OK TO BE AWAY

The correlation between school attendance and children's achievement levels is well-established. The more time kids spend at school, the more likely they are to experience school success.

When kids miss school, not only is their academic progress impeded, forcing them to catch up on missed work (which some never do), they often miss important interactions with their peers which can compound issues of social isolation and low self-esteem. Quote Michael Gross, Number 1 Parent Educator.

Australian kids only spend 15% of their total time at school. They spend more time asleep than they do at school. So we need to maximise every day to get full value. That means turning up to school every day, on time.

Lost property

Sent a drink bottle or a sandwich container to school, and it never came home? In the front office there is a turquoise Tupperware Sandwich container and a red Nike drinker bottle waiting for the owner to come and collect.

Healthy Snack Ideas

Stuck with what to send your child with for snack time? Having trouble trying to get them to make better food choices? Here are some ways that can still enjoy foods they like without them knowing they are better for them!

- ◆ Pretzels are a better option to send with kids than chips. Snack size packets are available from the supermarket.
- ◆ Vege chips are also a lighter option to enjoy something similar to chips.
- ◆ If your kids are wanting something sweet, the Kellogg's Golden Joy LCM bars, are reasonably low in sugar but still taste great!

Healthy Lunch Ideas

Here are some more ideas to help you save money and provide your child with the nutrients they need to keep their brain functioning! Remember the school microwave can be used!

- ◆ Frittatas are a great way lunch ideas for kids. The best part is you can make them using leftover vegetables. You can also make so many different varieties, quick and easy!
- ◆ The Uncle Benny's rice varieties are also a good option for the kids. Two minutes in the microwave and it's ready. Plenty of different flavours available too!
