Birthdays

We wish the following student a very Happy Birthday:

Chloe Crisp: Thursday 1st November

From the Principal

Last week we welcomed our 2019 Foundation students to the first session of the Pre-Foundation program. The students quickly settled and learnt the daily routines of a typical school day. Our Pre-Foundation program will be offered every Friday for students who are enrolled in our 2019 Foundation class. As part of our orientation program for the 2019 Foundation families, an information session for parents will be held on Thursday 8th of November beginning at 7pm in the staff meeting room. This information session will

provide relevant and useful information about school and how to assist with the transition into primary education. In addition to the Pre-Foundation program, the children will also attend one more Kinder visit session on Wednesday 7th of November (9.00-3.15pm). We look forward to meeting and getting to know our new students and their families for 2019.

"It works!" These were the cries of many students who have been eagerly anticipating the installation of our solar panels and water pump for the playground water feature! Thanks so much to Nathan, Paul, Darryn and Ian for working so hard this week to ensure that everything is working beautifully! The students are so excited to have this feature near completion and all we are waiting for now are the plants and ground cover. Thank you to the LLL Landcare Grant, the School Council, P&F and Solar Pump Tec for supporting this project that has significantly enhanced our playground.

Tomorrow night the P&F are organising a movie night for all students in the multipurpose room beginning at 7pm and the cost is a gold coin donation. Please note that all students are to be supervised by a parent or guardian. Popcorn will be provided and water will be available for 50c a bottle. Thank you in advance to the P&F for providing this fun evening for our students.

With Christ,

Tara Pritchard

Devotional Thought

Good enough

Jesus, then, is the High Priest that meets our needs. He is holy; he has no fault or sin in him; he has been set apart from sinners and raised above the heavens. He is not like other high priests; he does not need to offer sacrifices every day for his own sins first and then for the sins of the people. He offered one sacrifice, once and for all, when he offered himself. (Hebrews 7:26, 27)

Almost every day the question comes up, 'Am I good enough?' It's almost as if you see your life as a Christian as some sort of contest where you have to reach the standard that qualifies you for the many benefits and blessings that God gives. Behind this thinking is the idea that in some way what Jesus did was not enough and you have to do your part too.

Not true. Jesus has done all that is required 'once and for all'. His work doesn't have to be imitated. It doesn't need to be repeated. It doesn't have to be earned. What Jesus did is done. He lived and died that you might have life. Now take hold of this truth in faith and live this truth.

Jesus, you have done all that is needed to pay for my sins and give me eternal life. Thank you. Help me to live in this truth. Amen.
