Year 4/5/6: Nik

From the Principal

Welcome to our pre-Athletics Day edition of the newsletter. We are looking forward to our Athletics Day tomorrow. Although there is an element of competition to the day, the main focus is on the participation of all students, and we certainly encourage all students to have-a-go and try their best.

The Parables of Jesus

Our Chapel theme for Term 3 is the Parables of Jesus. These are stories Jesus told that had a heavenly meaning. Last week the students heard about the workers in the vineyard where those who worked the least time were paid the same as those who worked much longer. On the surface this seems unfair, surely the workers who worked all day should be paid more? God's gift of heaven, however, is given to people regardless of how long they have believed in Jesus, whether they have believed since a young age or as an older person. You are welcome to attend our Chapels on Fridays at 9am.

Every blessing for your week,

Damon Prenzler

Devotional Thought

Equity in judgment

There will be suffering and pain for all those who do what is evil, for the Jews first and also for the Gentiles. But God will give glory, honour, and peace to all who do what is good, to the Jews first and also to the Gentiles. For God judges everyone by the same standard. (verses 9-11)

Read [Romans 1:28 – 2:11](#)

Often there is dissatisfaction with human judgments, whether given by a judge, a magistrate, a principal or a parent. Some think the punishment is too lenient, others that it's too harsh.

What about God's judgments? St Paul assures us that God judges everyone by the same standard. That sounds like good news, because we want fairness. But the problem for us is that the standard by which God judges us is a perfect standard. In the Sermon on the Mount Jesus said, 'You must be perfect—just as your Father in heaven is perfect' (Matthew 5:48). By this standard of perfection, every human being stands condemned. The list of bad things we do is endless.

There would be no hope for any of us if it weren't for the really good news that God puts us right with himself through Jesus Christ. That's what the letter to the Romans is all about. It shows us that when God judges people who have faith in Jesus, he sees Jesus, and he judges them as if they were Jesus.

Yes, God judges everyone by the same standard, but not everyone is the same. Some, by God's grace, have become believers in Jesus, and God pronounces them to be righteous. The gift of righteousness through faith in Jesus is the greatest of all gifts, because it leads to glory, honour and peace.

Cleanse and cover me with your righteous, dear Jesus, and make me good. Amen.
