Kinder visit

On Tuesday we welcomed Kinder children and their families to the school as part of the Kinder visits. It was great to share our school with the families and for them to see what Nhill Lutheran School has to offer. Apparently the texta treasure hunt proved popular with the children.

100 days of school

Last week we celebrated 100 days of school for the students in Foundation. It has been amazing to see the progress and learning that each of these wonderful people have been making during their first 100 days.

Bus/Driveways

Thank you for adapting so quickly to the new drop off and pick up arrangements. The bus drop off and pick up has now been moved to the rear Mackay Street carpark meaning the front driveway is no longer used by the bus. Parents and Caregivers who are dropping off or picking up children are encouraged to use the driveway rather than park on Mackay Street (if possible). The car parks closest to the entrance are zoned as 2 minutes, the car parks closer to the exit are zoned as 1 hour. We hope this will be a safer and more efficient arrangement for all.

Parent Information session

Parents and members of our community are invited to an information session on Wednesday August 28, 5pm-6pm, to hear about the transformation of learning spaces, the reasons behind them, and the benefit to student learning. This will be held in the Multipurpose Hall.

Concert

Momentum and excitement are building for our upcoming concert The X Factory. More information will be distributed in the coming weeks, but for now please mark the evening of Thursday September 19 on your calendars for the performance.

Every blessing for your week,

Damon Prenzler

Devotional Thought

Grace rules!

It is true that through the sin of one man death began to rule because of that one man. But how much greater is the result of what was done by the one man, Jesus Christ! All who receive God's abundant grace and are freely put right with him will rule in life through Christ. (verse 17)

Read [Romans 5:12-21](#)

Chaos theory states that the gentle fluttering of butterfly wings on one side of the world can magnify to a tornado on the other side of the world. True or not, all actions have consequences, and not always ones you can predict.

When Adam sinned, he knew that his disobedience would lead to death. He probably did not realise his sin would result in your death and the deaths of all people. His sin also means a spiritual death for you, because you are born incapable of living a sinless life. What a vicious cycle! A butterfly flutter gone crazy. Yet Christ broke that cycle with his death and resurrection. Through Jesus' actions, spiritual death is destroyed and believers are justified, forgiven. Pure in his sight. For it is true that 'all who receive God's abundant grace and are freely put right with him will rule in life through Christ' (verse 17b).

You took away the burden of death from your people, Lord, and broke the cycle of sin. Keep me close to you, so that I may remain pure in your sight. Amen.
