World Teacher's Day

Tomorrow, October 25th, is acknowledged in Australia as World Teacher's Day. I would like to acknowledge and thank our amazing teachers for the many gifts they bring to their role, and for the contribution they make to their students and the school. I regularly witness Nhill Lutheran School teachers going above and beyond in their roles. I also see, on a daily basis, our teachers share the love of Jesus through the love and service they show to their students and others. Happy World Teacher's Day Miss Shelton, Miss Sealey, Miss Attiwill, Miss Lindsay, Mrs Alexander and to all teachers!

Kinder and Pre-prep visits

This morning we welcomed kinder children for their first kinder visit and it was great to have them at our school. After following the big paw prints to find where they had to put their bags they then spent the morning with Miss Shelton. We look forward to seeing more of our 2020 Foundation students in the weeks to come as they have the opportunity to visit on their kinder and pre-prep days.

Melbourne Symphony Orchestra

On Wednesday November 6 the school will be attending a performance by the Melbourne Symphony Orchestra at Horsham Town Hall. We will be travelling by bus leaving school at 9.30am and return by the end of the school day. Further information will be provided prior to this day.

Walk to School

As part of our Walk to School focus we are having a dress up day with the bonus of smoothies being provided by Hindmarsh Shire. Tomorrow students are welcome to wear casual clothes with a splash of purple.

Every blessing,
Damon Prenzler

Devotional Thought

Sleepy God?

**The sun will not hurt you during the day,
nor the moon during the night.
The Lord will protect you from all danger;
he will keep you safe.
He will protect you as you come and go
now and for ever. (verses 6-8)**

Read [Psalm 121](#)

I have often wondered if God ever sleeps; have you? If God did ever sleep, even for just one moment, we would be vulnerable to evil. If he ever put his feet up, switched on the answering machine and 'chilled out' for an hour or two, the universe he created and maintains every minute would cease.

If God ever slept, all those jibes of people who wish to discredit him, and us, would no longer be just jibes but truth, and our faith in our God would be a sham. 'Where is your God?' they often say. 'Is he asleep? Has he gone on a holiday? Maybe he is too tired to be near you!'.

Because of what God has done for you through the 'Sun of righteousness', Jesus Christ, you can reply with rock-solid faith and eyes wide open that your God never ceases to sustain the universe, never ceases in his constant protection of you and all his people, and never, for even a moment, is less than the ultimate power and authority in the cosmos, even above sun and moon.

Father of sun, moon, stars and me, thank you for your ever-vigilant watchfulness and your highest authority by which you protect and sustain me. Amen.

First Aid

An at home hearing test for children that's fun and easy.

Why hearing checks are important?

- An estimated 1 in 10 Australian children may be affected by an undetected hearing loss.
- Undetected hearing loss can cause social and academic disadvantage
- Good hearing is critical to language development
- Undetected hearing loss can be misidentified as a behavioural issue

Sound Scouts is now free for all schoolchildren (aged 4-17). To test download the App from the App Store or Google Play and with a set of good quality headphones or earbuds, test in a quiet space.
